

Subject Charter Schools Eligible for Safe Schools Aid

Authors Greene and others

Analyst Tim Strom

Date March 25, 2025

Overview

Under current law, a school district may levy up to \$36 per pupil unit for safe schools purposes. Charter schools do not have access to school district revenue formulas derived solely from local property taxes (like the safe schools levy).

HF 2016 provides safe schools aid for charter schools equal to \$36 per pupil unit beginning with the 2025-26 school year.

Summary

Section	Description
---------	-------------

- | | |
|---|--|
| 1 | <p>Revenue calculation. [Charter schools]</p> <p>Creates a state aid for charter schools equal to \$36 per pupil unit for charter schools beginning with the 2025-26 school year. Requires each charter school to reserve the revenue and use the revenue for the same purposes as school district safe schools purposes according to Minnesota Statutes, section 126C.44, subdivision 4.</p> |
