

Subject Higher education: plant-based food grant program

Authors Wolgamott; Hansen, R.

Analyst Nathan Hopkins

Date April 2, 2025

Overview

This bill would create a new program in the Office of Higher Education (OHE) to provide grants to train students in the production of plant-based foods.

Summary

Section	Description
---------	-------------

- | | |
|---|--|
| 1 | Plant-based foods production training pilot program.
Establishes a new pilot program in OHE to provide grants to secondary career and technical education programs and postsecondary institutions to help train students in plant-based food production. |
| 2 | Appropriation.
Appropriates \$500,000 in onetime money in FY26 for the grant program in section 1. The money is available until June 30, 2027. |
