Summary

Under current law, a deed restriction, subdivision regulation, restrictive covenant, local ordinance, contract, rental agreement or regulation, or homeowners association document that limits the right of a residential property owner or tenant to display the United States flag and the flag of the State of Minnesota is void and unenforceable. This bill adds the National League of Families POW/MIA flag, the flag of any branch of the United States Armed Forces, or a Blue Star Service flag or a Gold Star Service flag, to the list of flags to which the law applies.

Effective the day following final enactment and applies to all limitations described in the section and not excepted in statute, regardless of whether adopted before, on, or after that date.
