

**H.F. 2695**

As introduced

**Subject** Expanding school eligibility for the housing challenge program**Authors** Norris and others**Analyst** Justin Cope**Date** March 28, 2025**Summary**

The economic development and housing challenge program of the Minnesota Housing Finance Agency can award grants to, among other entities, certain types of schools to develop housing projects. This bill would expand the list of eligible school types to include contract alternative schools and Tribal contract schools.
