

Subject Administrative Rules for Jails

Authors Duran

Analyst Jeff Diebel

Date March 3, 2026

Summary

This bill requires the commissioner of corrections to assess the cost for jails to implement proposed rules that regulate the operation of jails. If the estimated cost of implementing a rule exceeds \$25,000, a jail administrator may claim a temporary exemption from implementing the rule. The rule or rules that a jail claims a temporary exemption from do not apply to the jail unless and until the legislature enacts a law that approves the rule(s).
