Date April 4, 2025

Overview

This bill removes special event food stands from the food and beverage service establishments that must pay an annual statewide hospitality fee to the commissioner of health. A special event food stand is a food and beverage service establishment operating in conjunction with celebrations and special events and operating for no more than ten total days in a licensure period.

Summary

Section	Description
---------	-------------

- | | |
|---|---|
| 1 | <p>Statewide hospitality fee.</p> <p>Amends § 157.16, subd. 3a. Removes special event food stands from the list of food and beverage service establishments that must pay an annual \$40 statewide hospitality fee to the commissioner of health. The commissioner uses money from the statewide hospitality fee to fund department activities related to food and beverage service establishments, lodging establishments, public pools, and youth camps.</p> |
