

Subject Detention and Transport of Suspects

Authors Finke

Analyst Jeff Diebel

Date March 16, 2026

Summary

This bill establishes requirements for vehicles that state, local, and federal law enforcement officers and agents use to detain and involuntarily transport persons. Law enforcement transport vehicles must:

- 1) be specifically designed to transport humans safely;
- 2) be owned or leased by a law enforcement agency; and
- 3) contain conspicuous markings that identify the law enforcement agency that owns or leases the vehicle.
