

Subject Economic impact, immigration enforcement

Authors Howard and others

Analyst Colbey Sullivan

Date March 3, 2026

Summary

This bill would require Minnesota Management and Budget to contract with a nonpartisan organization to quantify the economic impacts of the 2025-2026 federal immigration enforcement operation known as Operation Metro Surge. The study would analyze economic impacts for the state and its citizens, businesses, and local units of government. Minnesota Management and Budget would submit the contractor's report to the legislature by February 1, 2027.
