

Subject Weights and measures; bulk fuel delivery

Authors Van Binsbergen

Analyst Larie Ann Pampuch (larie.pampuch@house.mn.gov)

Date February 27, 2026

Summary

This bill requires a person who sells or delivers a bulk delivery of nonoxygenated gasoline to make the delivery directly into either: the attached fuel tank of a collector vehicle, off-road vehicle, motorcycle, boat, snowmobile, or small engine; or a bulk tank.
