

H.F. 3776

As introduced

Subject Prohibition on screen time in schools

Authors Sencer-Mura and others

Analyst Laura Felone Day

Date March 3, 2026

This bill prohibits a child in a publicly funded preschool or kindergarten program from using individual-use screens while at a school site. Under current law, a child in such programs may not use individual-use screens without engagement from a teacher or another student.

Effective July 1, 2026.
