## Summary

This bill would add requirements to the process for hiring an executive director of the Lessard-Sams Outdoor Heritage Council (LSOHC). The LSOHC is tasked with making recommendations for how money in the outdoor heritage fund, one of the four funds established by the “Legacy Amendment” passed by the voters in 2008, is spent.

The bill would require the LSOHC, when it uses a selection of members from the council to vet candidates to be considered by the entire council, to use an equal number of members representing the two major political parties. It would also require that if the interview panel does not agree unanimously on a candidate that multiple candidates be forwarded to the entire council for consideration.
