Date March 13, 2026

Summary

This bill appropriates ongoing money for the Parent Support Outreach Program (PSOP) under the Department of Children, Youth, and Families. PSOP is a voluntary program that provides short-term early intervention services to eligible families. To be eligible for PSOP, a family must not currently be involved with the child protection system, must have at least one child aged ten or younger or be pregnant, and must have two or more child maltreatment risk factors.
