### Overview

This bill amends the Postsecondary Enrollment Options (PSEO) Act. Students participating in PSEO earn high school and college credit through enrollment in a college-level course taught at a postsecondary institution by college faculty.

### Summary

Section	Description
1	<b>Authorization; notification. [PSEO]</b> Requires a postsecondary institution to notify a student's school, at least twice per quarter or semester, of the student's grades or other information about the student's academic progress.
2	<b>Credits; grade point average weighting policy. [PSEO]</b> Limits the number of college credits a student may earn each school year to either 28 quarter or 16 semester college credits.
