Summary

This bill requires a licensed child care center that receive any amount of child care assistance program funds, great start compensation support payments, early learning scholarships, or a combination thereof to have video security cameras in public and shared areas of its facility. The licensed child care center must comply with video camera requirements established under current law governing camera coverage, retention and disposal of recordings, access to and dissemination of recordings, usage policies, and notices.

Requirement is effective July 1, 2027.
