

Subject License plate replacement fees

Authors Joy

Analyst Matt Burress

Date April 10, 2026

Overview

This bill eliminates plate and filing fees for a license plate that is replaced due to a defect or failure. Effective the day following enactment.

Summary

Section	Description
---------	-------------

- | | |
|---|---|
| 1 | Replacement plates.
Directs the Department of Public Safety to issue replacement license plates and validation stickers without a plate fee if the plates or stickers are defective or had a premature failure (besides wear and tear or damage while in use). Makes technical changes. |
| 2 | Filing fees; allocations.
Explicitly eliminates a filing fee in defective plate or sticker replacement. |
