

**Subject** Nursing Home Workforce Standards Board

**Authors** Agbaje and others

**Analyst** Anna Scholin

**Date** March 14, 2025

## Summary

This bill appropriates \$1,000,000 in fiscal year 2026 from the general fund to the Nursing Home Workforce Standards Board for grants to certified worker organizations to train nursing home workers on their rights, duties, and obligations under Minnesota laws related to the Nursing Home Workforce Standards Board. Certified worker organizations are nonprofits, not under the control of nursing home employers, that have at least five years of experience in advocating for nursing home workers. This is a onetime appropriation and is available until the end of the 2028 fiscal year.
