

CARES Act City Aid Distributions

June 30, 2020
Run: ctCAREsaid

Summary

The attached run shows the distribution of \$350,423,731 in CARES Act aid to cities in Pay 2020 under the governor's orders. The distribution is based on the legislative compromise contained in SF 47 during the 2020 1st Special Session. This is part of the approximately \$841.5 million of state CARE money that will be distributed to counties, cities, and towns.

- Aid to cities with a population of 200 or more is the same per capita aid amount for all cities and is approximately \$75.34 per capita.
- A city with a population less than 200 receives zero direct aid, but may apply to the county in which it is located for reimbursement for documented covid related costs up to the lesser of \$75.34 per capita or the documented spending amount. The county has discretion to make payments to cities above this minimum required amount.

The printout shows the amount that each city may receive, upon successful application to the Minnesota Department of Revenue, on a county by county basis.
