

## **Small city assistance under HF 1450 at a \$20 million appropriation**

The attached run shows the distribution of small city transportation aid under HF 1450 *at a hypothetical appropriation amount of \$20million* (the bill lists no appropriation amount). Cities that are not currently eligible for municipal street aid, basically cities with a population under 5,000, are eligible for aid under this bill.

The aid distribution under HF 1450 is determined as follows:

- 35% is distributed based the city's share of total population in all eligible cities;
  - 35% is distributed based on the city's share of all municipal street lane miles in all eligible cities; and
  - 30% is distributed inversely to cities based on their share of total county state aid highway( CSAH) located in all eligible cities. If the city's share of CSAH lane miles is more than 0.% of the total CSAH miles in eligible cities its portion of this aid is zero
- 
- **Column 1:** 2013 Population estimate
  - **Column 2:** aid due to population
  - **Column 3:** aid due to municipal street lane miles
  - **Column 4:** aid due to CSAH lane miles
  - **Column 5:** Total aid under HF 1450
  - **Column 6:** Per capita total aid under HF 1450

For further information contact: Pat Dalton 651-296-7434
