RE: Cities impacted by H.F. 1512

Thirteen cities with a population under 10,000 currently have a population density less than 30 persons per square mile and are therefore eligible for additional aid under the new sparsity adjustment proposed in this bill. Of those 13 cities only 8 would receive additional aid under current law. The cities and the additional aid amounts in Pay 2018 are:

City	Additional Pay 2018 LGA
BABBITT	1,848
DENHAM	43
EMILY	0
FIFTY LAKES	0
FUNKLEY	12
HATFIELD	0
KINBRAE	0
MIZPAH	72
NASHUA	0
RUSHFORD VILLAGE	9,234
TACONITE	825
TAMARACK	651
TROMMALD	129

This is in addition to the 24 cities impacted by correcting the LGA error for Pay 2018 which are listed in the memo regarding the LGA error.
